

PTO & Vacation Policy

Overview

This policy outlines the paid time off (PTO) entitlements for all full-time employees of the company. Part-time employees receive PTO on a pro-rated basis.

Annual PTO Accrual

Full-time employees accrue 15 days of PTO per calendar year, earned at a rate of 1.25 days per month. Employees may begin using PTO after completing their 90-day probationary period.

Sick Leave

Employees are entitled to 10 days of sick leave per year, separate from PTO. Sick leave does not accrue and does not carry over to the following year. A medical certificate is required for absences exceeding 3 consecutive days.

Public Holidays

The company observes 12 public holidays per year. Employees required to work on a public holiday will receive a day in lieu within 30 days.

PTO Rollover

Unused PTO up to a maximum of 5 days may be carried over to the following calendar year. Any PTO in excess of 5 days will be forfeited on December 31st.

PTO Request Process

Employees must submit PTO requests via the HR portal at least 2 weeks in advance for requests of 3 or more consecutive days. Requests of 1-2 days require 48 hours notice. Approval is subject to business needs and manager discretion.

PTO Payout on Termination

Upon termination of employment, employees will be paid out for any accrued but unused PTO. Employees who resign without providing adequate notice may forfeit accrued PTO at the company's discretion.
